

# SMO - Preliminary 2018

Lausanne, Lugano, Zürich - 13 January 2018

Please read carefully the following points:

- Please only use the paper we gave to you.
- As we scan your solution only write on the front side of the paper.
- Begin every exercise on a new sheet.
- Write down everything you find out about the exercise, even seemingly trivial observation can give partial points. And hand everything which is readable, we will not deduct points for wrong or contradictory statements.
- For statements without prove you will get either no points or partial points.
- If you have questions regarding the exercise statement, you need more paper, have to go the bathroom, or have any other needs: please raise your hand and we will come by.
- To ensure we don't lose anything, please write on each sheet your name, the number of the exercise, the page number and the total number of pages for this exercise. E.g. "C.F.Gauss, G1), S. 2/4". The numbering should be per exercise.
- Your corrected exam will be sent to you in the following week with the envelope. Please put your adress on it now.
- For the EGMO, the JuniorCamp and the ranks 18-25 you have to be registered on our homepage until today 6pm, as we need indications like your age.
